Conference venue: The Hong Kong Convention and Exhibition Centre, Hong Kong

Aims and Scope of the Conference

The Kadoorie Institute, The University of Hong Kong, in association with The International Sustainable Development Research Society (ISDRS) and ERP Environment, publishers of the international journal Sustainable Development are pleased to announce the 16th Annual International Sustainable Development Research Conference. The conference will be held at The Hong Kong Convention and Exhibition Centre, Hong Kong on 30 May – 1 June 2010.

This year we focus the Conference on exploring opportunities and managing implications for post-financial crisis in the pursuit of sustainability. We invite contributions relating to integrated policies, cross-sectoral governance and issues concerning climate change. We welcome papers on the latest developments associated with sustainable development and the innovations and practical measures addressing global challenges.
